

Human Ties Annual Membership 2018-2019

The funding of Human Ties allows us to support the Center for the Humanities by providing financial support for the Center. It also provides financial support and volunteer support for field trips and other extracurricular activities. Human Ties supports community volunteer projects and works to form alliances with local organizations.

This organization's success strongly depends on the participation of the families with students in the Humanities program. We are hopeful each family will be able to join this school year. The annual membership is \$25 per family. Please make checks payable to **Human Ties**. Return to Mark Davis or mail to Human Ties, Attention: Elizabeth Hafdelin, Monacan High School, 11501 Smoketree Drive, North Chesterfield, VA 23236. Support your Humanities student(s) and join Human Ties!

Father _____ Mother _____
